SCHEDULE 4, delete Items 2 and 9, and substitute the following items:

2. The Contractor, or its sub-contractors, shall perform such travel as required by the Government for the purpose of fitting and measuring individuals for pressure suit assemblies to be supplied under this contract. Such travel may be by Government furnished transportation, when available, or by commercial transportation. All reasonable cost of such special travel, including transportation, will be reimbursed the Contractor on an actual cost basis, exclusive of any indirect cost or profit being added thereto by either the Contractor or its sub-contractor, as a direct charge to this contract. The total cost of all special travel to be claimed hereunder shall not exceed the estimated cost stated below without the written approval of the Contracting Officer. The Contractor, and its subcontractors performing such special travel under this contract, shall maintain records which will substantiate travel costs for which reimbursement will be requested under this Item No. 2. The Contractor agrees that its records of special travel performed under this contract shall at all reasonable times be subject to inspection and audit by any authorized representative of the Contracting Officer. The Contractor further agrees to include a like provision in its subcontracts

<u>Item No.</u>	<u>Description</u>	<u>Part No.</u>	<u>Qty.</u>	<u>Unit</u>	<u>Unit Price</u>	<u>Amount</u>
	hereunder involving special travel of this nature.				25X1A
